Sound-Craft Systems folding lectern set up in a flash...by anyone, looking great during your meeting, and take up just a little room when stored.

They are spill and stain proof as well as resistant to abusive handling. Add optional reading light, microphone arm, and custom logo and you have a lectern that will work for you and look great for years.

THE PERFECT SIZE

Less than 5 inches thick when collapsed, our Sound-Craft folding lectern will store about anywhere.

THE PERFECT SHAPE

Easy to carry, lightweight, and convenient. The perfect answer anytime a lectern is needed in a moment's notice.

THE PERFECT DESIGN

Instantly opens into a full size lectern without tools. Six full length hinges and captured reading surface provide a rigid cabinet and stable reading surface.

THE PERFECT LECTERN

Covered in 100% polypropylene carpet, Sound-Craft Systems folding lectern will add distinction to your presentations for years. They will not scuff, scratch, or mar. Custom logos are available in a variety of colors and materials at a nominal cost.
