

A close-up photograph of two men's hands and forearms as they work together on a document. The man on the left is wearing a grey button-down shirt and is holding a black pencil, ready to write. The man on the right is wearing a red, blue, and white plaid button-down shirt and is holding a purple ruler against the document. The document appears to be a technical drawing or blueprint. The background is dark and out of focus.

COLLABORATION TABLES

COLLABORATION TABLES

The Sound-Craft Systems line of collaboration tables will turn any meeting space into a perfect area for communicating thoughts and ideas with students and co-workers in a sitting or standing environment. From conference rooms, classrooms, and training rooms of any size, we have the collaboration table to meet your specific needs.

Standard features include table top, monitor wall with access panels, and base with access doors. The collaboration tables will be available in many wood veneer, high pressure laminate, and low pressure laminate finishes. We offer a number of different sizes, shapes, and base styles from which to choose. Available options include swivel casters, custom cutouts, wiring duct, height adjustment, rack mount, adjustable shelf, cooling fan, duplex outlet, and cable port outlet.
